Subject: cya later Iam sure

well friday it happened the nervous breakdown that every says they are going to have well I had it. I frankly stopped seeing the world as it truly , the rally scaray part s thT i also was aware what I was seeing was not reel really Scary stuff went to the ER in Lanse spent the night in the hopsital in lanse because I was thinking the va was going to acpt me in in Madison then in the morning they backed out, that I was placed in MQT ythink I got there on Sun some how a day is missing form my reckoning thought was in MQT til friday (yestder got home home here lateand I am back online to follow

basicaly some old repressed memories orf my army day since to be repressed and I had real trouble hand more later
